CHURCH SAFETY TEAM PROGRAM

BASIC TRAINING OPTIONS

Go Strapped Firearms Training has been training church members and church safety/security teams specifically for over 8 years.

All of our instructors are State of Texas Certified License to Carry a Handgun Instructors.

The Lead Instructor and owner, Bryan Proctor, is also a certified TCOLE Instructor (Law Enforcement), State of Texas Certified School Safety Certification Instructor (Armed Teacher), among other certifications.

TRAINING DETAILS

Option 1- **Church Safety Team Live Fire Qualification Under Duress**

Our instructors will spend 2-3 hours training your team in advanced fire under duress skills, hostage negotiating skills, and bystander awareness. Training will be on the range during a 200 round qualification on a hostage target under duress. Qualifying students will receive certification upon completion. \$150 per student + range fee. Ammo not included (5 student minimum) **Participants must have an active License to Carry

Option 2- **Church Safety Team Simulation**

Team will be placed in real-life simulated scenarios using Glock 19s/17s converted to fire military grade non-lethal man marker training rounds. Same training as military and law enforcement. Scenarios will test shoot/no shoot, and de-escalation techniques. Training will also focus on evaluating Safety Team policy and practices effectiveness. Price includes all gear, ammo, training, and instructor fees. \$200 per participants. Observer and role players are free.

***Church Safety Teams are a very specialized entity. If your church has specific training or evaluation needs, feel free to express that so we can come up with a training plan to fit you.*
